Primary schools information

This section lists the names and types of all primary, infant and junior schools. Each school's address, telephone number and a contact name is given together with the number of places available for **September 2016**. We have also recorded the number of applications each school received last year and hope that this information assists you in deciding which school(s) to apply for.

Please remember that the admissions criteria varies from school to school and you should look at and understand the criteria for the schools of interest to you.

How the places were allocated on 16 April 2015*

To help you understand how places were allocated last year at local authority controlled schools, we have given the number of pupils allocated under each admissions priority. Where distances (metres) are given, this relates to the furthest child allocated a place at the school within that admission priority.

Predicted difficulties

The latest predictions indicate that there may be a shortage of reception class places in the following areas for children starting school in September 2016.

Crowborough Eastbourne including Polegate and Willingdon

Hailsham Hastings

Newhaven Peacehaven

Seaford Uckfield

During the 2015/16 academic year, we will be looking at arrangements to make sure there are enough places for all children in those areas.

There will always be schools that will be oversubscribed and admissions will have to be restricted by reference to the relevant admissions criteria.

We have identified **Frant CE Primary School** where admissions may be limited even when the child's home address falls into the pre-defined community area.

The admission criteria for Frant differs from all other community and voluntary controlled primary schools. Please **see page 63** for more details. It is likely that applications falling into admission Priority 3, 4 or 5 will be restricted.

Ocklynge Junior School

Applications from within admission Priority 3 (and 4, 5) are likely to be restricted as the number of children leaving the linked infant schools exceeds the number of places at Ocklynge. Please refer to the admissions criteria and tiebreaker method on **page 62**. As a one-off solution, The Cavendish School will admit up to 60 children into Y3 in September 2016.
