Tuesday 5<sup>th</sup> February 2019

Dear Parents and Carers,

**Safer Internet Day – February 5<sup>th</sup> 2019**

Today the children will be bringing home a booklet published by the NSPCC called 'Share Aware', which focuses on staying safe online. Assemblies today also focused on Safer Internet Day, for the infants the theme was 'Together for a Better Internet', and for the juniors it was 'Our internet. Understanding consent in a digital world.' Teachers will be following up the assemblies with a range of activities in class – these will happen over the course of the next week or so, as staying safe online is not just for one day – it needs to be everyday, I am sure you will agree.

Finally, attached to this letter are a couple of documents produced for Safer Internet Day, which give ideas and information to support discussions at home and as a family. I hope you find them useful.

Kind Regards,

Zoë Griffiths

Head Teacher
