Dear Parents and Carers,

STEP TERM DATES 2022/2023

We are writing to you regarding the term dates for the next academic year 2022/2023; please see attached for your information.

Following positive feedback from parents and stakeholders, we are continuing with a 2-week break for the October half term 2022; we hope that you found this beneficial as a family in 2021.

We looked at the half term dates for other primary and secondary schools within our Local Authorities and we have attempted to align with them, in so far as we can, considering there is no consistent approach across any Local Authority.

We are trying to give families more flexibility throughout the year, which will also enable parents and carers to plan with greater certainty by reducing the number of days during which the schools are closed for staff training.

Although the past 18 months have been impacted by COVID, we look forward to continuing to offer all our children a full, on-site education.

If you have any queries relating to this, please send these to the STEP Executive Team – info@stepacademytrust.org

Yours sincerely,
